Mario is Missing! is an educational game created for MS-DOS, the SNES, and the NES. The gameplay was widely panned by critics, although its Super Mario World music remixes have gained recognition. Mario is Missing! was released in floppy disk format for MS-DOS in 1992, with the CD-ROM Deluxe edition and console versions released the following year. A follow-up called Mario's Time Machine was ...

Firms are usually best off with a portfolio that has a balance of firms in each category. The cash cows tend to generate cash but require little future investment. On the other hand, stars generate some cash, but even more cash is needed to invest in the future for research and development, marketing campaigns, and building new manufacturing facilities.
